## 30608T 67531-FB 3P 300V-60A AI B

*Mersen Fuses*

|                  |  |
|------------------|--|
| Catalog Number   | 30608T   |
| Manufacturer     | Mersen Fuses   |
| Description      | Fuse Block 300VAC 300VDC Class T 60A 3-Pole Box With Reinforced Clip |
| Weight per unit  | 0.4300 (lbs/each)  |
| Product Category | Fuseholders & Fuseblks   |

### Features

|                               |                            |
|-------------------------------|----------------------------|
| AC Voltage Rating             | 300                        |
| amperage rating               | 60                         |
| class                         | Class T                    |
| connection                    | Box with Reinforced Clip   |
| DC Voltage Rating             | 300                        |
| Material                      | Glass Filled Polycarbonate |
| Maximum Operating Temperature | 80                         |
| Phase                         | 3                          |
| Poles                         | 3-Pole                     |
| Voltage Rating                | 300                        |

### Dimensions and Weight

|      |                    |
|------|--------------------|
| Size | 3.37 x 1.85 x 1.47 |
|------|--------------------|

### Descriptions

|                        |   |
|------------------------|---|
| Description            | 67531-FB 3P 300V-60A AL B   |
| extra long description | Mersen 30608T Fuse Block 300VAC 300   |
| Features               | Mersen Class T fuse blocks accommodate Class T fuses up to 600A. Insulators are either durable, glass-filled polycarbonate (GFPC) or phenolic with verified dielectric strength in excess of 2500V. Mersen is the only manufacturer to offer Class T blocks with copper connectors  |
| Long Description       | Fuse Block 300VAC 300VDC Class T 60A 3-Pole Box with Reinforced Clip  |
| Product Type           | Fuse Block 300VAC 300VDC Class T 60A 3-Pole Box With Reinfor  |
| Short Description      | 67531-FB 3P 300V-60A AL B   |
| Special Features       | Unique integral DIN-rail adapters for 600V, 30 & 60A blocks Full barrier design (30 & 60A) increases pole to pole safety Unique adder-block design (30 & 60A) for design flexibility Spring reinforcing standard for all 30 & 60A clips Features high conductivity copper alloy fuse clips Cool running high amperage (100 - 600A) connectors Copper connectors available 30 - 600A |

## Manufacturer Information

|                           |                |
|---------------------------|----------------|
| Brand                     | Mersen         |
| GTIN                      | 00782001675318 |
| Manufacturers Part Number | 30608T         |
| UPC                       | 782001675318   |

## Taxonomies, Classifications, and Categories

|                      |                          |
|----------------------|--------------------------|
| Category Description | FUSE BLOCKS,FUSE HOLDERS |
| Type                 | UL/CSA Fuse Bases        |

## Packaging

|                 |      |
|-----------------|------|
| Carton          | 1    |
| Package         | 5    |
| Weight Per each | 0.43 |

## Uses, Certifications, and Standards

|          |   |
|----------|---|
| Mounting | Direct Screw Mount  |
| standard | All fuse blocks meet the requirements of UL 4248 UL listed, guide IZLT, File E52283 UL recognized component guide IZLT2, file E52283 CSA certified class 6225, File 32169 |
