| extra long description                | EWD 3535-4V Comb 4 Cond Phone Jack/   |
| Features                              | In today's homes, service connection points are nearly as important as media distribution itself. Finish off service connection points with wallplates that give you the flexibility and style you need. Decorator inserts upgrade connection points to a designer look, come in a variety of configurations and are compatible with any decorator wallplate. |
