| Features               | Eaton's Residential Meter Breakers save time and cost by providing contractors with all-in-one service entrance equipment. They allow for quick, flexible, simple installation, and can be used with BR- or CH-type branch circuit breaker styles. Constructed to be a self-contained durable enclosure and meet the latest NEC wire bending space requirements, they are particularly useful for residential metering in areas where utilities are deregulated, and the electrical contractor has to supply watt-hour meter so |
