## KLU601 601A 600V Class L Cooper Link Time Delay Bolt Fuse

*Bussmann Fuses*

|                  |                                                                                                                                           |
|------------------|-------------------------------------------------------------------------------------------------------------------------------------------|
| Catalog Number   | KLU601                                                                                                                                    |
| Manufacturer     | Bussmann Fuses                                                                                                                            |
| Description      | Eaton Bussmann Series Class L Fuse, Klu, Fast-Acting, Current Limiting Fuse, 601 A, Bladable Fuse, Interrupting Rating Of 200 Ka, 600 Vac |
| Weight per unit  | 3.7 (lbs/each)                                                                                                                            |
| Product Category | Current Limiting                                                                                                                          |

### Features

|                  |                                     |
|------------------|-------------------------------------|
| amperage rating  | 601                                 |
| connection       | Bolted Blade End X Bolted Blade End |
| dimensions       | 8.6300 IN X 2.5000 IN X 2.5000 IN   |
| Fuse Class       | Class L                             |
| interrupt rating | 200 kAIC at 600 Vac                 |
| media            | Yes                                 |
| Response Time    | 5 sec at 500%                       |
| Voltage Rating   | 600 V                               |

### Dimensions and Weight

|      |                                   |
|------|-----------------------------------|
| Size | 2.50 In Diameter X 8.63 In Length |
|------|-----------------------------------|

### Descriptions

|                        |                                                                                                                                                                                                                                                                                                                                                                                  |
