| Manufacturer     | Nsi Industries                                                                                                                                                                                               |
| Description      | Copper Split Bolt Connector 3/0 Awg Copper Split Bolt Connectors Are High-Strength Solderless Service Connectors Made Of High-Copper Alloy For Copper and Copperweld Wires. Type For Two Maximum Wire Sizes. |
| Weight per unit  | 0.4300 (lbs/each)                                                                                                                                                                                            |
| Product Category | Large Terminals & Connectors                                                                                                                                                                                 |

### **Features**

|                      |                 |
|----------------------|-----------------|
| Material             | Copper          |
| Number of Conductors | 2               |
| Poles                | 1               |
| Voltage Rating       | 600 V           |
| Warranty             | 1 YEAR          |
| Wire Size            | 2 SOL - 3/0 STR |
| Wire Type            | Class A & B     |

### **Material, Color, and Finish**

|        |        |
|--------|--------|
| Color  | Copper |
| Finish | COPPER |

### **Dimensions and Weight**

|      |                   |
|------|-------------------|
| Size | L=2.007 - W=1.102 |
|------|-------------------|

### **Descriptions**

|                        |                                                                                                                                                                                                              |
