Features	Using the latest in dimming technology, Eaton's dimmers let you adjust the level of your lighting at the light switch, so you can bring the right look to the room and save money at the same time. That's because lighting controls reduce the amount of electricity used by your lights, which saves electricity, reduces utility bills and extends the life of the bulb. Eaton's lighting controls are compatible with most common lighting loads, including LED, CFL, MLV, ELV and Fluorescent; and they come in multiple s
